Dear Mr. Fricke:

On behalf of everyone at the Coalition for the Homeless, thank you for your kindhearted donation of assorted men's and women's clothing and books* to our First Step Job Training program.

With homelessness at its highest levels on record, and New York City shelters on the verge of running out of beds, homelessness in New York has reached crisis levels. Now, more than ever, we need First Step for women to secure sustainable employment and provide for their families.

With your help we are able to provide the confidence and real-world skills that allows First Step graduates the chance to take control of their lives. Your support allows First Step to give that chance to over 100 women each year.

On behalf of hundreds of First Step students and graduates, thank you again for all that you do.

Gratefully,

Robert Kelty
Deputy Executive Director
